Puppy Kindergarten Class!

The next session begins on _____ and runs for 7 consecutive weeks.

Sessions are held on Saturdays from 12:30-1:30 pm.

***Can't make the sessions? Private tutoring is also available!**

What it is:

One hour of socialization for owners and their puppies, including obedience and manners. Sessions will be supervised by our training instructor, Jillian Gartner. The sessions build on each other with new skills introduced at each session. By the end of the class, your puppy should have learned the following obedience and manners:

- Sit
- Down
- Stand
- Wait
- Shake
- Roll
- Go to bed
- Watch me
- Here
- Let's Go
- Leave it
- Right/Left circle
- Off
- Lap
- Retrieve

Only \$140 for the
 7 week course!

Why we offer this:

Socialization sessions help puppies mature into social adults who are responsive to their owners in the presence of other dogs. These classes will also help build a fun, positive association for dogs (and owners) with Healthy Paws so future veterinary visits are not so frightening.

Who should attend?

Available for puppies 14 weeks to 6 months old OR dogs up to 40 lbs. Sessions with social adult dogs are also available for puppies with known aggressive tendencies.

Requirements for the safety of all puppies/dogs:

All puppies/dogs MUST have at least 2 vaccinations for Distemper/Parvo virus and Bordetella (Kennel Cough) and receive their Rabies vaccination by 16 weeks of age.
